

PLAYGROUND DETAILS

Guru Gobind Singh Khalsa Public school

The school has a spacious playground measuring 10,710 square metres (m²), providing ample space for sports, physical education, and co-curricular activities. The playground is well-maintained and offers a safe environment for students.

It is regularly used for Physical Education classes, morning drills, yoga sessions, annual sports events, athletics, and outdoor games such as Cricket, Football, Volleyball, Kho-Kho, Kabaddi, Badminton, and other recreational activities.

The school promotes physical fitness, teamwork, discipline, and sportsmanship by encouraging all students to participate actively in sports and games. The playground is maintained throughout the year to ensure a clean, safe, and student-friendly environment.
